MAH Law CET (3 Yrs.) Toppers

IMS Law test series are very helpful. This was the only source for my preparation. The current affairs snippets are extremely relevant. This is the closest test to the real exam. I thank this institution for helping me achieve my goal.

– **Richa Bharti | Rank 7** - (2019)

The coaching at IMS was of tremendous help for me. The well-researched study material and other available resources at the IMS portal really worked as that 'extra mile' one needs to go while preparing for a competitive exam. Wouldn't have prepared for it any other way!

– **Bhavya Aggarwal | Rank 7** - (2019)

The near identical test environment & difficulty level that the IMS mocks provides vis a vis the actual exam is unparalleled. Post mocks, ranks and other detailed analysis shared highlights a macro view of an aspirant's performance which is well complimented on the micro front with detailed solutions given question wise. Couple these program features with an agile bunch of IMS staff ever ready to resolve your doubts, one couldn't ask for more. – **Melwyn Mathew | Rank 11** - (2018)

The mock tests are as realistic as they can get. Solving those made taking the exam feel like a breeze. Access to a very well compiled current affairs and GK database made the entire learning process very very easy and time saving.

– **Yash Mukadam | Rank 12** - (2018)

Securing a high rank in MAH CET Law was very important to me and the IMS test material and online mocks helped me immensely in my preparation. The material they provided proved to be complete in all aspects. The test pattern and difficulty of the mocks were quite at par with the actual exam. Thank you IMS
