» Career Opportunities

Three decades ago, a career in law predominantly meant litigation. The typical career path was to start as an assistant to senior lawyer, spend long years to establish one-self and eventually get the first independent case after uncertain duration. Post liberalization, business activity increased in Indian firms. As a result, multiple career options emerged for law professionals. Today, a law graduate has plethora of options to choose from. The most common career paths are illustrated below:

» Highly paid jobs

- A spurt in mergers and acquisitions, fund raising activities and large-scale investments, led to a business growth for corporate law firms
- Most law firms knew that young and bright associates are the lifeblood of every legal practice, and realized that a fat pay packet is the key to attract & retain talent in this sector

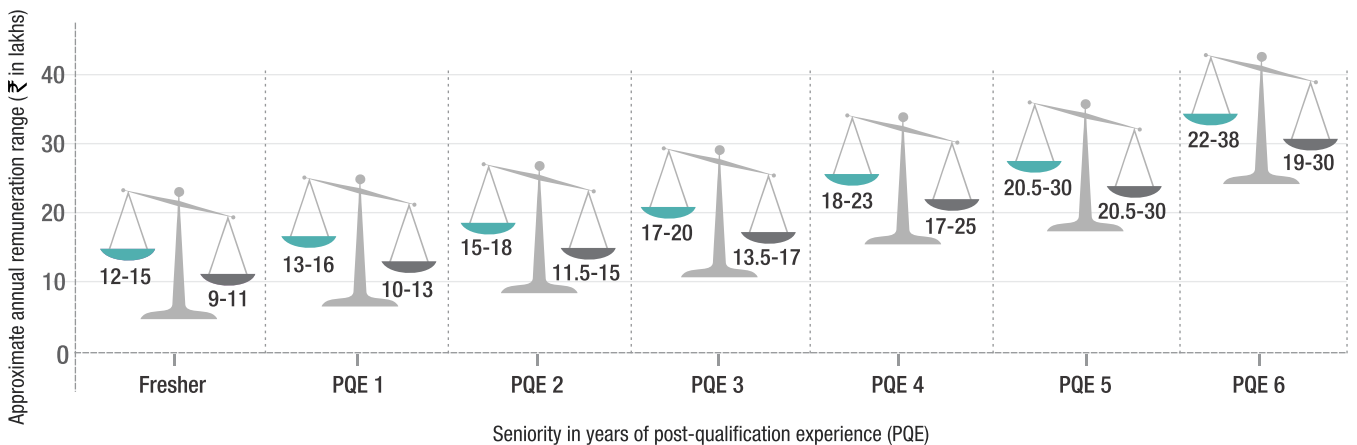

» Top Paymasters

Some tier I legal firms:

Amarchand Mangaldas, AZB and partners, J Sagar Associates, Khaitan and Co., Luthra and Luthra, S&R Associates, Trilegal

Some tier II legal firms:

Argus, Desai and Diwanji, Nishith Desai Associates, Wadia Ghandy
